

### Regional Director's Message

Periodical reporting of the work accomplished by RC Jaipur serves as a mirror of our performance and a tool to set/revive our goals for the next session. The Quarterly Newsletter of the activities of RC Jaipur is being released with the co-operation of Co-ordinators and Part Time Staff of LSCs. The RC with its network of more than 53 active LSCs is committed to providing and spreading education to all including Jail inmates, rural & remote areas, SC/ST learners and the defence personnel serving the nation. The teaching learning process has partially shifted towards online learning by organizing online counseling sessions in addition to the offline mode as done prior to the pandemic. Online google meets are frequently organized with Co-ordinators, HOIs and Exam Centres Superintendents for providing better learner support services. This quarter from May to August 2022 has seen launch of more than 30 new online programmes by different Schools of the University. This is one of the major initiatives taken by the University towards Digital Learning. The MBA and MCA programmes of the University are AICTE approved and there is no entrance examination now for the MBA programme. Online Counseling sessions for MBAOL learners are being conducted through the LMS portal coordinated by Regional Centre Jaipur. Other popular programmes of the University like BCAOL, MCAOL, CITOL, CFNOL, CRDOL etc. are now being offered online for the benefit of the Learners and enhancement of Gross Enrollment Ratio (GER) in Higher Education. The June Term End Examination was conducted from 22<sup>nd</sup> July to 5<sup>th</sup> September 2022.
