

IGNOU
REGIONAL CENTRE JAIPUR

JANUARY - June 2026

NEWSLETTER

From the Desk of the Sr. Regional Director

It gives me immense pleasure to present the first newsletter for the period January–June 2026, encapsulating the notable achievements, academic engagements, administrative accomplishments and learner-centric initiatives undertaken by IGNOU Regional Centre Jaipur during this period.

The admission figure for January 2026 session reached 1.30 Lakh which includes highest enrollment of 1.20 Lakh in DECE programme.

The Regional Centre also organized and participated in several academic, extension and outreach activities during this period. Significant among these were the successful organization of the 39th Convocation of the University, student support initiatives, awareness campaigns, health and social awareness programmes and observance of important national and international occasions such as National Science Day, World Creativity and Innovation Day, World IPR Day, National Technology Day, Republic Day and Dr. B. R. Ambedkar Jayanti. These initiatives reflected the Centre's continued endeavour towards promoting holistic learner development, academic enrichment, social awareness and community engagement.

In continuation of its learner-centric approach, innovative support initiatives such as weekly Live Facebook interaction sessions, Student Grievance Redressal Sessions conducted every Thursday through Google Meet and prompt digital support services were consistently organized to strengthen communication, accessibility and responsiveness between learners and the Regional Centre.

I place on record my sincere appreciation for the dedication, cooperation and untiring efforts of all officers, staff members, academic counsellors, coordinators and Learner Support Centres associated with Regional Centre Jaipur. Their collective commitment and teamwork have played a pivotal role in the continued progress, academic excellence and institutional growth of the Regional Centre. I am confident that with the same spirit of collaboration and dedication, we shall continue to achieve greater milestones in the future.

Dr. Mamta Bhatia

Senior Regional Director
