NOTE: 1. SIMULTANEOUS DEGREE/PROGRAMME Degree / Programme

The students who have done their DELED programme simultaneously with their Graduation or Masters degree through whatever combination of modes, are not eligible for admission to IGNOU's B.Ed programme. If a certain period of one programme coincides / overlaps with the other programme, it will be regarded as the "two programmes having been done simultaneously" and thus, will not be eligible for admission to IGNOU's B.Ed Programme.

2. Gap Year Degree

If an applicant has not got his admission cancelled and has taken a gap year from graduation or post graduation to complete the Diploma (DELED), technically he/she simultaneously pursued the programmes and will not be considered for admission in IGNOU's B.Ed programme.
