Brief Report:

The office of the Regional Centre, Jaipur was organized a Tree plantation and distribution programme in collaboration with the Save Environment Group of the Area in nearby Kalpana Chawla Park, Mansarovar, Jaipur. Dr. Mamta Bhatia, Regional Director, addressed the gathering regarding the environment and importance of plantation. She emphasized that it is the responsibility of every citizen to contribute towards environment by planting at least two-three plants in a year.

All Assistant Regional Directors, Assistant Registrar and all other staff members of RC Jaipur were also participated in the programme. Plants of different types like Neem tree, Alstonia Scholaris, Jambul Tree etc were planted around the park. Plants were also distributed to all staff members and people of the neighbouring area to motivate them for planting at their workplace and residences.
